अमीर के घर की दहलीज पर दीपक जलता रहा रात भर।

Along with festive fervor, divine embrace, and blessings from the Mother goddesses, Diwali is a festival to fall in love – literally and figuratively.

Ashoo was one such person. A Dilwaala seeking a Dilwaali and fingers-crossed during Diwali! He believed there was someone out there for him, but what were the chances that it would be someone he thought was never interested in him – Ashima!

Ashima sat next to Ashoo in their school bus for at least 15 years. They would chat and have verbal duels but patched up easily! But three years ago, Ashima took a train and just left, leaving no trace behind! Ashoo tried contacting her friends and messaging her on social media, but to no avail.

But she returned on Diwali - because who can keep two Dils away from each other? For Ashima and Ashoo - their Dils finally met on Diwali!

DIWALI

Diwali, also known as the Festival of Lights, is a joyous celebration that holds a special place in the hearts of millions of people. It's a time of unity, happiness, and the triumph of light over darkness.

During Diwali, families come together to clean and decorate their homes with diyas and beautiful rangolis. The streets are filled with twinkling lights, and the air is filled with the excitement of firecrackers.

Diwali is a time to honor Lord Rama's return to Ayodhya after defeating the demon king Ravana. It symbolizes the victory of good over evil.

People exchange gifts and sweets, visit each other, and share love and blessings. Delicious traditional dishes are prepared, and prayers are offered to invite positivity and abundance. Diwali promotes forgiveness, reconciliation, and unity among people of different backgrounds and cultures.

In conclusion, Diwali is a festival that brings people together, spreads joy, and signifies the triumph of light over darkness.

May your Diwali be filled with happiness and prosperity!

I asked my servant about sparklers five,
He showed the "sparkle" in his child's eye.

What about the ground wheel?
His life had grounded him to kneel.

And what about the rocket?
He looked at his wife's torn jacket.

At least he must be having a new dress,
Forget new dress, I don't have an address.

I was shocked to see his hut,
I don't know how he goes through this daily rut.

I decided to light up his life this Diwali,
I gave everything possible to his grateful family.

दीपाली
सबके दिल के करीब है यह त्योहार,
धनतेरस पर सोचते खरीदने की,
चीज़ें हज़ार यह त्योहार का संदेश है,
यही की शुक्रिया अदा करो मां लक्ष्मी, का की धन संपत्ति से भरी तिजोरी,
तुम्हारी गणेश जी ने दुर कर दीं देखो, जीवन की विपदाएं सारी तभी तो, परिवार
के साथ इस त्योहार का आनंद
ले पा रहे हो तुम तो जलाकर दिया,
मन में इस भावना की तुम्हारी, दीपावली रंगों से भरी है नहीं तो कहीं,
लोगों की बेरंग यह दीवाली हालातों,
ने कर दिया सारा भंडार घर खाली, इसलिए शिकायतें दुर करो अहंकार, और
हीन भावना से छोड़कर प्यार और भाई चारे का मार्ग अपनाओ ऊपरवाले,
की हो कृपा अप्रसार उत्सव के दे,
मौके हज़ार हर दिन ऐसे मनाएं जैसे,
कोई बड़ा त्योहार।

Is diwali kuch naya karte Hai,
Har kisi ke dil Meh khusiya bharte Hai..
Tyohar ke dino pe sirf naye kapre kyu
Naye rishte jorte Hai,
Chalo sath milke bhed bhav ke purane niyam torte Hai..
Is diwali kuch naya karte hai
Ghar ke sath sath man ke mail ko saaf karte Hai,
Apni galtiyo ka mafi mange
Aur dusro ko maaf karte Hai..
Is diwali kuch naya karte hai
Mehengi lights ke sath mitti ke diye jalate Hai,
Rang jaat dharm se bani dooriya mita ke sabko
dilse apnate Hai..
Is diwali kuch naya karte hai
Selfies ke sath sath yaade jamate Hai,
Patako ke sath sath andar ke anhankar ko jalate hai..
Is diwali kuch naya karte hai
Sabko dilse Happy diwali kehte Hai..

Diwali the Festival of Lights is here.
It brings with it warmth
Joy, Prosperity and happiness.
We all deck up in beautiful clothes.
And light sparklers and bombs and also light diyas.
And also eat sweets, meet relatives and friends.
And have the best celebration ever.
Oh those childhood diwali memories are still fresh in my mind
when I write this.
How I miss those days where I used to burst even atom bombs
without being scared.
And how times have changed and now I don't get the time to
burst bombs..

Diwali is a festival of lights and lamps
Each diwali day has a different dimension
Sparking a nationalistic fervor
Giving directions to our dreams
By neutralizing the seeds of arrogance
Our lives reaches to the zenith
Playing with crackers
Is really pleasant Persona
The unexplored universe
Where zeal has been
Awaited to be renewed again
Against the backdrop of the
Enthusiastic experience
Gives a show down to one and all
Just as the night falls
To late midnight
People start lighting the
Their inner chamber
Filling their heart with
Joy and zest and zing!

A day of many emotions
Emotional Quotient is a quality
Touching the dizzy heights
Moving forward with
a lamp in our heart
Beating through the ocean
Keeping a reservoir of earthen lamps
Sharing and shaking the legs
When the occasion is
Related with a radiant
Heat in the pitch dark night
When the Hindus celebrate
The festival of this huge
Magnificent importance
'Diwali'

The woman who lived in the lovely town of Lumina was called Serafina, which translates to "Light of Heaven". Diwali, his favorite holiday, served as the inspiration for his original concepts. By turning ordinary candles into shimmering kaleidoscopes, Serafina created magical designs that filled houses.

He launched "happy storytelling" postcards one year. They were anonymously traded and each had sincere words that cheered people up like wildfire. As these notes spread from home to house, creating veils of camaraderie, the city was abuzz with expectancy. Thanks to Serafina's amazing touch, Diwali at Lumina was not merely a celebration but also a beautiful mosaic of creativity and interaction.

Diwali Brings happiness to people through its ray of light,
That ray of light gives hope to people.
We wake earlier at that day and we take bath and go to
temple after that.
And we take blessings from God that we want to have all the
goodness in our life.
we believe in that ray of light, that comes from God.
Though Diwali is the death day of Narahasuran,
we celebrate Diwali with happiness and joy.
As this ray of light brings hope and happiness in the mind of
people.
We can see the ray of light and glow in the face of children.
We can also see the ray of light in the candle, we light.
As we believe that the ray of light from the candle brings all our
wishes comes true.
We believe in the ray of light, especially that light in Diwali.
Throughout the Diwali, we can see the ray of light in many
ways.
One from the Crackers, where we can see the ray of light, once
we lit the crackers,
especially this ray of light brings happiness and giggles in the
face of children.
As children happily enjoys celebrating the Diwali with crackers.

Chlo aj ik chehre me muskurahat or laay
 Apne sath kisi or ki bhi Diwali manay
 Jb lena samaan tumhe waise bhi
 Kyun na un road pe bethe chhote logo se liya jaay
 Jb jlane tumhe diye hi
 To kyun hi hum ldiyaan lagayen
 Jab bnane tumhe rangoli hi
 Toh kyun hi hum pthakhe churaye
 Diwali toh aise bnnaai or mnaayi ja sakti hai
 Phir hum kyun hi waise mnaaye

Jal rahe jb diye kisi or ke ghr bhi hmare wjah se
 Toh kyun hum kadam piche htaayen
 Chlo kbhi kisi Diwali kisi ik ke chahre pe muskurahat laay
 Hmare ghar jo roshni uska kuch hissa kisi or ko me bhi bata
 jaaye
 Chlo is Diwali khushiya kisi or ke ghar bhi laayi jaay...
 Kisi baap ke bchhe ghar pe intezaar me hongee ki aj wo bhi
 Diwali mnaayege
 Par agr unke Papa ka saaman na bika to wo aise hi niraash so
 jaynge
 Aj ik Biwi bhi intezaar me hongee ki Laxmi pujaan me wo mithaai
 bhog lgaayegi
 Lekin pese hi naah aaye ghr me to wo bhi bs ik diya jga ke so
 jayegi
 Pura din wo ik raah pe khda insan bhi Asha me hoga ki kuch
 samaan koi khreed le toh aj unke ghar bhi Diwali mn jaay
 Kuch khwahish wo akela kar raha hoga to kuch privar ke beech
 Beth ke karega lekin jab hum modernism ko apnane me jada
 peeche pad jaayenge toh unke kuch sapne sapne hi reh
 jaayenge

Sparkling Lights

The sparkling lights that dances
In every corner of the city.
Oh, what a privilege it is to be like
The sparkling lights that brings
Joy to every admirer,
They are like the stars fallen
On Earth just for you,
To show you how lovely it can get
In the darkest aura.
Sometimes, we need to be in our
Darkest days to see the lights within us,
Cause they're too beautiful to shine
On the brightest days.
Every time life puts you in a darker room
I hope you remember how
Magnificent your sparkles are!!

Title:- Diwali: a mess in a bliss.

Genre:- Article.

Content:- In the echoes of chaos, festivals faintly glow,
A tale of Diwali in a household's ebb and flow.
Kalesh and celebrations dance hand in hand,
Lost in chaos, a search for peace in demand.

Belated wishes for joy, though peace is rare,
Diwali, the light of Ram's return in the air.
Ayodhya's diyas in welcome's bright hue,
A tradition through ages, celebrating anew.

Lakshmi Puja, amidst the family's strain,
Hindu traditions embraced, seeking fortune's gain.
Despite illness and weariness's hazy mark,
Worship shone bright as a hopeful spark.

Diwali's festivity, a five-day cascade,
Dhanteras to Bhai dooj, in celebration's parade.
Choti Diwali, Ram Ram day in between,
A whirlwind of moments, a vivid scene.

Amidst chaos, prayers seek peace's light,
Festivals in turmoil, yet hope takes flight.
In family's moments, a yearning so keen,

For Diwali's peace in the festive scene. -Jaagruthi Sharma

Title of the content: In Rama's Radiance: Poetic Devotion to Shree RamaChandra Bhagwana.

Genre: Spiritual and Devotional

Content:

In Rama's gaze, lotus eyes so deep,
With heart of gold, a treasure to keep.
His feet, like copper, stand firm and true,
In His embrace, all souls find rescue.

Beyond all sight, His divinity shines bright,
I bow to the Lord of endless light.
In devotion, we find our way,
Shree Rama Bhagwana, we humbly pray.

In the depths of His lotus eyes so clear,
Lies a truth that banishes all fear.
With a heart of gold, His love's embrace,
Guides us to a sacred, timeless space.

Beneath His feet, like copper they remain,
A symbol of strength, free from earthly chain.
In His grace, we find our sanctuary,
A haven of peace, divine commentary.

Beyond all mortal sight, His radiance gleams,
Illuminating souls in heavenly streams.
In deepest devotion, our spirits soar,
Shree Rama Bhagwana, we adore evermore.
